### Platinum Series Door Styles

**Madison**  
The Madison design offers classic simplicity. A smooth, clear surface for your selected colour to take center stage and shine. Seamlessly blending with its surrounds and complimenting the facade of your home.

**Tuscan**  
The Tuscan design utilises horizontal "V" grooves to create a modern planked style door, visually lengthening the space whilst providing a sleek and contemporary look perfect for modern homes.

### Automatic Openers to Suit

**Genesis Section Door Opener**  
Featuring the latest in safety & security technology, the Gliderol Genesis Sectional Door automatic opener offers quiet, reliable garage door automation.

**Genesis Optima Section Door Opener**  
Providing maximum pulling power the Gliderol Genesis Optima Sectional Door automatic opener offers unrivalled strength ideal for large span & custom doors.

#### Creating your Gliderol Platinum Series door is easy:

**1. Pick your door style**

Gliderol's Platinum Series doors are available in both Madison & Tuscan profiles, featuring clean, sharp lines to create a sleek and contemporary style.

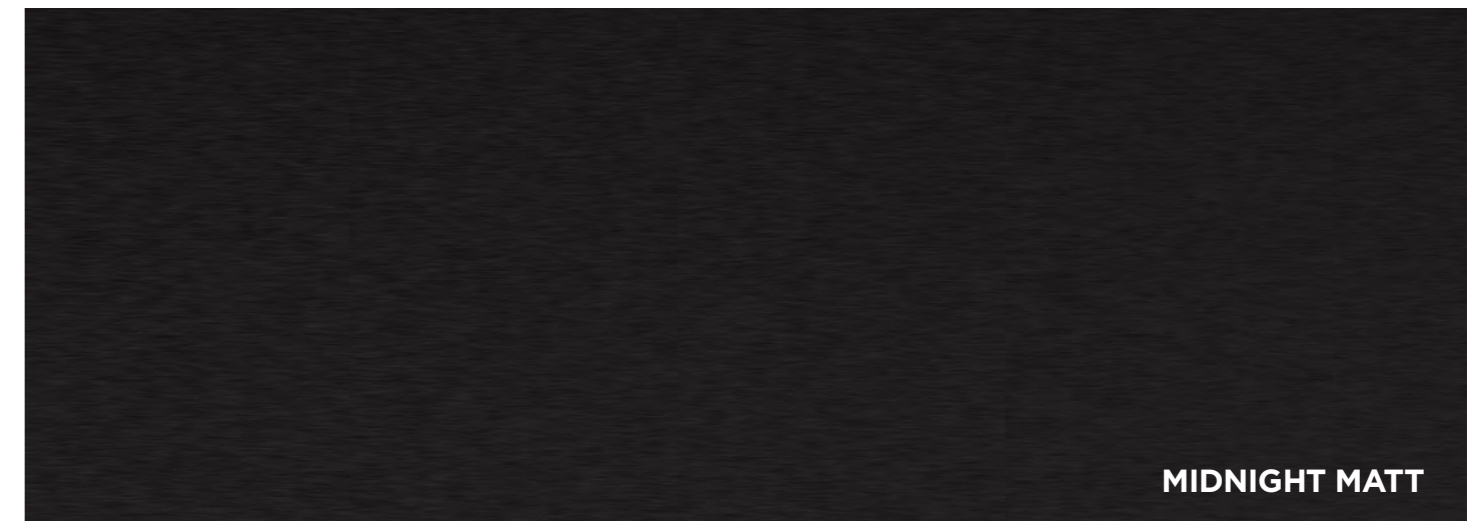

**2. Select your colour**

With a metallic gradient built into each colour profile, the Platinum Series offers three metallic colours in a luxury matte finish to suit any home.

**3. Add your opener**

For maximum security and convenience, automate your new Platinum Series door with Gliderol's Genesis Automatic Opener range.

### Platinum Series Colour Range

Colours shown have been photographed to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing as varying light conditions and limitations of the printing process may affect colour tones. Colour samples are available from your local Gliderol office.
