

Work Health & Safety Policy

General Policy

PT Doors Safe Work Mission is to ensure and provide a safe and healthy place to work for all staff, our customers, suppliers and members of the public.

Occupational Health & Safety Programme

In order to implement the general provisions of this policy, PT Doors will set up and monitor a programme of activities relating to WHS and include:

- WHS training and education
- Safety rules and procedures
- Changes to work methods
- Reporting and recording incidents, injuries and illness

Policy Improvement

The management of PT Doors undertake to monitor and continually improve their WHS system, at the very least on an annual basis.
